

HoriZen® Aluminium

Privacy solutions

A range of aluminium board panels for immediate privacy with a decorative look, in one unique design.

BENEFITS

The range

The aluminium boards come in a unique design. A range of single swing gates with aluminium infills is also available from stock.

Easy installation

- The aluminium boards with: the tooth/groove principle are installed with the standard HoriZen post.
- The fence height can be adapted by putting less boards on top of each other, the boards can easily be cut to fit the width of the panel.

Customize your fence by:

- Adding decorative boards
- Adding an extra aluminium adapter profile
- Being able to cut the boards to a desired length
- Building the fence height you require

Applications

Functionalities

HoriZen Aluminium SET content:

- Aluminium boards, with tongue & groove principle
- Board height : 150 mm, board length : 1780 mm
- 2 plain sides of the boards
- 1 pack contains 12 boards (= fence panel 1800 x 1800 mm) &
- The Aluminium top & bottom profiles (in Anthracite RAL 7016 Structured execution) must be ordered separately

- 100% recyclable
- 10 year guarantee (see our quality policy)
- The fence width can be altered easily, by cutting the boards.
The fence height can be lowered by using shorter posts or by cutting the post and removing fewer boards
- Extra long aluminium posts of 2980 mm are available for installation on slopes.

Posts & fixings

HoriZen post

The aluminium board panels are installed with the HoriZen Aluminium post. This extruded aluminium post is available in 3 different lengths.
